Crosspoint Christian School is a culmination of two highly esteemed Christian schools in the Klamath Basin that joined together in 2020. The mission of Crosspoint is reflected in the name. The cross is a simple symbol made of two lines that intersect to become one. At that point of unity, amazing things happen. The cross is the point where our lives become entwined with God's grace—the point where death becomes life, the lost become found, and where separated things become united. Crosspoint symbolizes us now; two schools intersecting to become one. It is at this point that we eagerly await the amazing things God has planned.

**Our mission** is to provide a Christ-centered education from pre-school to high school developing the entire student—spirit, mind, and body. Graduates will be fully equipped, prepared academically, and possess the depth of character to thrive in a college, career, or vocational environment.

Thanks to our small class sizes, our dedicated teachers are able to provide the highest quality of instruction that allows all students to reach their full learning potential. A love of God and life-long learning are shared by all who teach and learn at Crosspoint.
