December 2021

By the Lord’s grace we are, once again, celebrating the birth of our Savior, Jesus Christ! We are enjoying these last few days of the year blessed with his provision and victories of His grace. We remember some of them with joy.

It has not been easy to restart our activities after the closure of churches and educational centers due to the pandemic in Mexico. All of our students were receiving their classes online. Trusting in our God and Lord Jesus Christ, we restarted our regular activities last April, and we have celebrated our regular activities since then with a magnificent evaluation of our performance.

On May 21st we celebrated our Annual Graduates Banquet where our graduates and their families shared a special meal and listened to an encouraging message. The next day we held our commencement ceremony with 15 happy graduates receiving their diplomas and hearing another beautiful message. On May 24th we held our traditional graduate breakfast joined by our alumni from different years who are serving as pastors.

Being careful of the Covid protective guidelines that the government of Mexico has imposed, we celebrated our children’s and students summer camps. We hosted 80 children and 105 students accompanied by their pastors who participated with them in all the activities. The topic for the camps was “Femininity and Masculinity according to the Bible”. The topic was a great blessing to the children and students who were very engaged and asking a lot of questions.

We greatly appreciate your prayers for the ministry in the prison. Last October the authorities allowed re-entry to the prison and we quickly restarted the preaching and teaching of the Scriptures. At our Shepherds and Leaders Conference, we saw men who converted to Jesus Christ under our ministry in the prison who are now pastors. What a blessing!

Thank you all for your prayers and support through this difficult year. We were able to buy 125 new chairs and 9 study tables for our activities.

Merry Christmas!
