BBC BIBLE BAPTIST CHURCH

Weekly Prayer Focus – January 2, 2022

Greg & Carolyn Gammon

December, 20,2021

We recently received news that two long awaited milestones are soon to happen. The completion of the Nobonob and Ketengban full Bibles! Nobonob was the community we first bonded with in 1979 Papua New Guinea and where our first two children were born. Ketengban is a much more isolated community in Indonesia but still on the same island of New Guinea. It is exciting to see these two communities join those of us with Bibles in a language that communicates well.

I was recently diagnosed with prostate cancer. My PSA numbers remain relatively low, but they had been gradually creeping up. Radiation treatment was one of my suggested options, which will start just after the first of the new year. Small daily doses for about 45 days should yield maximum affect with minimal disruption. We draw reassurance from the Lord on this, having long surrendered ourselves to His care.

I will soon be assuming a slightly expanded role in the new year. One that will encompass more of Asia, increased domestic and Asia travel and celebrate the translation of God’s Word into more and more languages. I’ll try and share more in the new year. This is such a privilege to be involved in Kingdom work. Thank you for your part in this.

As we take the next several days to slow down and focus on Christ’s long foretold birth, we wish you a wonderful, restful Christmas and a blessed New Year.

Love, Greg & Carolyn
