Greetings in the name of Christ,

We are grateful for the grace of our Lord, who with great kindness fills us with his blessings, making provision to continue in his ways and serve in this ministry.

God has granted us travel to promote SEBANO, and on those trips we always meet our graduates. Once again we were invited to the ordination of one of our graduates. Alfredo Real is the fruit of the ministry of SEBANO in the Nogales prison. Alfredo satisfactorily answered each of the questions, showing knowledge of the Scriptures, as well as humility and love for his family and for the ministry that the Lord has entrusted to him.

We have been blessed with the remodeling of our restrooms. It was a great need because we couldn't find faucets due to the age of the sinks and other plumbing elements. It was necessary to remove all the old pipes and renew them. Thank God we also now have the funds to replace the kitchen stove!

Our teachers remain faithful to the Lord, showing in their personal lives a love for the work of Christ, teaching without altering the Word of God to our students and in the churches as well as spiritually and materially caring for their wives and children.

My family is doing well. We all remain faithful and waiting for the return of our Savior and Lord Jesus Christ. He is coming soon!
