The following is an update from Pastor Jim Libby regarding Triad:

“We’ve been working hard to run school without being able to meet directly with our students. We’re using a variety of methods from weekly pick-up packets to internet conferencing. What works for kindergartners probably isn’t going to work for a high school class. This has been kind of like trying to create a brand new school. The teachers are working very hard to make it happen. The parents and students are sad that it has come to this, but the parents and students have been very understanding.”

Easter Week Readings are available for you and/or your family to share together.

Good Friday Service will be on Friday, April 10, 7:00pm and Easter Sunday Service will be on Sunday, April 12, 10:00am - Watch for the link to the service!
