BBC BIBLE BAPTIST CHURCH

Weekly Prayer Focus – May 10, 2020

Campuses in
Portland, San Jose,
Sacramento, Seattle or online

For over 90 years, **Western Seminary** has been preparing men and women to bring leadership and renewal to the Christian church. They remain committed to anchoring themselves to the unchanging truth of Scripture and to following Jesus' lead, while asking how we may best serve the real world. They are investing in students who bring that same mindset to the classroom (and to their work) no matter where in the world they may live. They train in thirteen specialized programs.

Recent Correspondence Received

"Pastor Kevin and Bible Baptist Church:
Thank you so very much for your love support of Western Seminary. The legacy and impact of your generosity will be felt in ways we cannot fully understand. My appreciation and gratitude extends beyond the limitation of written words. During times like these I wish I were a poet. I wish you joy, health and peace.

/s/ Robert (Jones), Sr. Vice President for Advancement"
A Graduate Story

From my first experiences on campus, the Western community exhibited a beautiful combination of knowledge, intelligence, humility and love. It's common to find knowledge and intelligence at seminaries, but to see these accompanied by humility and love is far from common, and that combination is worth dedicating not just a few years, but a lifetime to pursuing.

My studies began to influence my ministry. From helping anxious young people ... to training our team of intern leaders to follow in the path of Jesus, to preaching from the pulpit; what I do and say has been shaped by what I learned at Western.

Recently I was appointed Director of Christian Encounter Ministries. As I've come to understand how insufficient I am for this, I'm very grateful for my mentor's encouragement ... I'm forever grateful God used Western to shape my heart, my mind, and my path through life.
