Weekly Prayer Focus – June 20, 2021

Dr. Paul & Becky Geary
Home based in
Maplewood, Minnesota

Dear Family and Friends,

Warmdays are starting to appear in Minnesota and a few ducks and geese have arrived in our backyard pond. Out hope is also growing that the pandemic may be in its closing months, and our prayers are with all those who continue to struggle with the impact of the pandemic on their lives.

Since I last wrote, the Covid-19 pandemic exploded in the country of Indonesia and many people have been sickened with the disease with a significant number of deaths. The staff in each of the Bethesda Health Ministries divisions has been learning and coping with the significant changes that they have had to make.

Bethesda Hospital - At the beginning of the pandemic wave, government hospitals were designated as the official Covid-19 treatment centers and all patients were to be referred to them for further care. Unfortunately, as the cases have escalated, these hospitals have not had enough beds to handle the influx. Bethesda Hospital is now hospitalizing and caring for more and more Covid-19 patients each month. To keep staff and patients safe, a major renovation of one 30 bed patient ward is underway to equip it in accordance with the respiratory isolation standards required by the government.

Praise God, very few staff have been infected with Covid-19 on the job although some staff have become infected through community exposure. As pressures of facing Covid have grown, so have concerns for adequate funding. Equipment and facilities needs were shared with the community of faith and many Indonesian churches and believers were moved to contribute funds towards the purchase of personal protective equipment and the refitting of hospital facilities. Over \$100,000 has already been raised.

Wendell Geary Memorial Lecture Hall - Thanks BE to God: the \$30,000 cost of the Wendell Geary memorial lecture hall is completely covered! An additional \$40,000 has been pledged towards the \$65,000 cost to complete the other portions of the second floor. Construction is planned for early 2022.

Foreign traveler restrictions for Indonesia have continued to be too limiting for a shorter trip to be meaningful; I have rescheduled my trip to July. Pray with us that I will be able to make this trip!
