Summer Travels and Upcoming Events

This summer was quite full of travel and adventure! After I (Kevin) returned from my audit trip to Indonesia, we hopped in our trusty red minivan and hit the road. We traveled nearly 5,500 miles in total, visiting North Dakota, Minnesota, Wisconsin, Michigan, Indiana, and Nebraska. That’s not counting all the states along the way! We wish we could have visited even more of you than we did, but we had limited time to be away from home.

While Melisa, Annie, Ryan, and I traveled, Kyle stayed in Idaho to watch the house, while also working for the summer and taking a college course online. Kyle is now back at Calvin University for the fall semester, studying mechanical engineering. Annie has begun her senior year of high school, which is hard for mom and dad to believe! Please pray for her as she seeks God’s will following graduation next year. She has a lot of ideas and interests, so the challenge will be to narrow it down! Ryan is now a big 7th grader and enjoys running cross-country. He’s a smart young man, so we are always on the lookout for ways to keep him challenged. Melisa began a new part-time job as a teacher’s aide for a nearby Christian school. She works with preschoolers and is affectionately known as “Miss Mel.”

This fall, I plan to attend a two-week accident investigation course at USC in Los Angeles. Pray that this would be effective training, not only for investigating accidents, but also to identify ways to prevent them in the first place. Later this fall, I will possibly travel to Africa to assist with audits of both Lesotho and Mozambique. Our persistent “friend” Covid-19 may have something to say about that trip, but we trust that God is still on His throne in spite of all the chaos going on in our world!
