Serving Translators in Asia

Home Based in Reno, Nevada

Greetings from the Incheon, Seoul, South Korea where I'm in transit to various locations in Indonesia. More and more countries are opening their borders after the 'lockdowns' and it is a delight to be able to intersperse travel and face to face connections with work and friends.

This past January I assumed a new responsibility at the Seed Co (the Wycliffe affiliate where we are assigned). I am the Field Operations Director for Asia & Pacific. I provide supervision and support for the Regional Directors of South Asia, Mainland Asia, Islands Asia and the Pacific as they supervise and support their staff and many projects, with both national and international partners. I am still learning all the countries in each of these regions and the translation projects underway in each. I'm praying for wisdom as we look at what still needs to be started and for the God-strategies to tackle these seemingly insurmountable challenges. I am very aware that I am just a small cog in God's grand scheme of redemption throughout the generations.

Please join me in praying for these Regional Directors, that the Lord would provide opportunities into countries and regions openly hostile to the gospel: South Asia – John K, Mainland Asia – John B, Islands Asia – Marilyn K, and the Pacific – Pat A.

Carolyn continues to support my changing responsibilities and watch little ones on Sundays. Adrian continues to be an outstanding Veterinarian while pursuing ministry opportunities. Randall, Brye, Reagan and Nixon continue to thrive in work, family and school. Toby made a mid-summer move to Columbia, South Carolina where is is settling in to a new job, climate and culture.

Thank you all for your continued prayers and faithful support. Recently Wycliffe honored us for 44 years of active service. What an honor and blessing you have been to us!

Serving with you,  
Greg and Carolyn Gammon
