It has been a year since I was infected with Covid. I spent a total of 25 days bedridden. For me it was a a time of reflection. It is difficult to be aware or understand about things that happened in our surroundings until it happens to you. It has made me empathize with those who have lost loved ones or the virus has affected them directly or indirectly. There is a difference between those who do not know God’s grace and with us who do. We can see God’s glory among these tribulations and this helps us to keep hope, peace and joy.

GUATEMALA – Now we are not only sharing the gospel in El Salavador and Belize, God has given us the opportunity to expand our ministry and plant new churches in Guatemala in partnership with Pastor Magandi. Please pray for Pastor Magandi, 15 of his disciples and 2 new churches in Guatemala City.

EL SALVADOR – In San Salvador, we started a new church where the Evangelist Explosion has been the tool for the multiplication of new leaders. We pray and hope that with the sharing of this material we can see the spread of new churches in the entire country.

BELIZE – The church in Belize continues to grow through the ministries for youth and children with the help of Pastor Ramos. Pray for the students in the theology program and the leaders who teach the kids in Sunday School. Pastor Jose Luis is part of the Samaritans’ Purse program – please pray that God may keep using his life to serve him! **Thank you always for your faithful support and prayers. We hope that God keeps on blessing you.** **In Christ Alone, Nelson & Consuelo**
