Klamath Falls, OR**

Dear Church Supporting Families,

As a result of our government's response to COVID and the direct affect it had on rental evictions and utility shut offs, UCM saw a drop in demand in 2021, having only one client each month from June to October. In the months of November and December we saw an uptick in demand with larger financial needs.

We expect this trend to continue in 2022, since government funding has either stopped or lessened in the areas in which we help clients. We want to thank you once again for your faithful support. What a blessing to our community to have you, the supporting churches, making it possible for UCM to not only help people in need, but more importantly to share with them the Good News of Jesus Christ and what He did for all of us. That has been and will always be the focus when we talk with clients.

Our Senior Outreach part of UCM, which is totally funded by separate volunteer financing from the at-large community, has seen a demand increase in the ministries with Seniors. They have specifically focused on providing free Ensure nutrition drinks for Seniors and have provided worship DVDs for Assisted Living facilities. Senior Outreach recently started using YouTube to send our worship services to Seniors at these facilities with the help of one of our participating churches.

UCM would like to thank you again for your support and we appreciate your prayers for all aspects of the ministry. There is still a great need and a lost world to witness to.

Respectfully,  
UCM Ministry Board
