Weekly Prayer Focus – August 21, 2022

Kevin & Melisa Borrer

Kyle, Annie and Ryan

Nampa, Idaho

FAMILY UPDATE: Annie graduated from High School in May. She will begin the next leg of her journey and in the fall she will begin at Moody Bible Institute in Chicago. Kyle has been back with us in Idaho for a few weeks. He secured a summer internship in the field of engineering and returned to school in Michigan in June. Ryan will be an eighth-grader this fall. He is now vice-president of his class and working hard to fulfill his campaign promises and learning how to make the morning announcements over the school intercom. Pray for Melisa as she seeks God’s will for the next school year. She has been working as a teacher’s aide at Nampa Christian Preschool, but is open to new possibilities this year. In March, Kevin’s department held their annual three-day Safety/Quality Seminar. Numerous pilots, mechanics and leaders within MAF come together to learn, share and collaborate on how to improve the safety and quality of our aviation ministry. Kevin taught a couple of the sessions along with a number of outside speakers who are experts in these fields of aviation.

A trip is coming together for a fall visit for Kevin as he visits the African nation of Democratic Republic of the Congo (DRC). MAF has two bases in the country, located nearly 2,000 miles apart. MAF also operates a maintenance facility in Kampala, Uganda, which services our aircraft from the eastern side of DRC. He will perform a safety audit of MAF operations. Audits involve observing everyday operations and interviewing the staff, reviewing paperwork and asking lots of questions. Aviation continues to be more complex around the globe, and MAF must adapt to the changes in order to continue reaching the world’s most isolated with the love of Christ.

We couldn’t do it without your help! Thanks for your faithful prayers and ministry support and encouragement all these years! May we be found faithful to that which He has called us to do!
